

HE Space is a successful international space company. For 40 years, we have been supporting our customers with qualified experts in the field of engineering, science and administration. HE Space has joined forces with CS Group to lead the engineering and digital space market in Europe and to provide highly skilled consulting.

Finance Manager

Key Tasks and Responsibilities

CS Group Germany GmbH is looking for a Finance Manager, reporting directly to the CFO of the Space Business Unit and working closely with the local Director of Operations. You will strengthen and develop the Finance team in Germany, providing a strong core to our next stage of development.

Your responsibilities will include:

- Management of controlling and financial accounting;
- Responsible for the monthly reporting and the annual financial audited accounts;
- Rolling forecasting on a Monthly basis;
- Close cooperation with Managers and other stakeholders;
- Further development of reporting and control processes;
- Supervising of the Financial Accounting activities.

Skills & Experience

You will have the following qualifications and relevant experience:

- Business administration / controlling or accounting degree;
- At least 7 years' related experience preferably in a large, multinational environment and bring experience in working with corporate reporting tools;
- Strong communication, analytical thinking and problem-solving skills;
- Team player and have a proactive mentality;
- Being the sparring partner with the Operations Director
- Fluency in German and English; written, oral and presentation skills;
- Interpersonal and leadership skills, which allow you to interact and develop strong professional relationships

This job is located in Darmstadt, Germany.

If you think you have what it takes for this job, please send your CV (in English and in Word or PDF) to Annie Kontou, by clicking on the button "Apply for this job" quoting job **DE-HP-25029**.

An exciting and dynamic international working environment awaits you!

Who We Are

CS Group Germany GmbH is part of the CS Group and our sole focus is the Space business. In 2023 CS Group was bought by Sopra Steria, a European leader in the world of IT systems with locations worldwide. At the same time, CS Group bought HE Space Operations and we are now successfully merged at all levels.

The CS Space business, with over 1000 employees, has focussed its expertise in the IT space sector including space mechanics, ground segment, image processing and satellite embedded software. We provide turnkey systems and engineering services for space and defence agencies, contractors and satellite operators, and are experts in space applications. We are now located in 5 different European countries and intend to extend both our footprint and our customer portfolio.

Why CS GROUP ?

1/ We are one of the fastest growing companies in the IT Space Sector offering our employees substantial career evolution opportunities.

2/ We are recognized by our customers for the excellence of our technical and operational skills providing us with a strong foundation on which to grow a sustainable and profitable businesses.

3/ Employees are the focus of our business and our values reflect this. Proactive training enables the continuous development of skills and capabilities, and a flexible and efficient environment, allows our employees to maintain a work-life balance while achieving high objectives.

If your dynamism and enthusiasm matches our values and goals do not hesitate to submit your CV and we will be ready to discuss the next step in your career.
